CLUBS OR GROUPS OF SHAREHOLDERS HOLDING AN EVENT IN THE AUDITORIUM.

The use of the audio and visual equipment requires training. This is expensive equipment with some programs pre-set for specific groups. The reservation form will be changed and each of you will need to specify who will be managing the audio and visual for your event and your practices as needed. These folks must be trained. A training was offered last year and will again be offered in January. The list of folks currently trained and available is short. We cannot expect to rely on them for all of our needs. We will arrange a time for this training and post it on the scroll and in the Bugle.

ADVANCED STAIN CLASS January 5th from 12:30-3:00pm at the Hobby Club

YOGA CORNER *Practice was fabulous.* It was great seeing everyone.. We did some good stretches and concentrated on balance. It is a challenge stretching after not doing it for a while. The benefit of Yoga is about, *mind & body (Plus toning is a plus).* Practice is all about each person individually and no one needs to follow the leader. Remember YOU have the choice of everything. Our focus for the class was, **FOCUS**, "One cannot focus on good and bad at the same time". It is easy to let negative into your thoughts and allow things or others to disturb your peace. It is the choice to feel good. When you can bring your mind back to good thoughts, you **then can start to be Grateful**. Yes things happen to disturb us and that is sad, Turning it around is very hard. Once you do, you are able to be *grateful for the air you breathe for the sunshine and the rain.*, where you live and the freedom of choice. I choose to be here and to bask in glory. **Practice this Sunday the 17th, 11am OCH.** Barbara, The Yoga Lady.

CHURCH NEWS Christmas is the most happy time of the year. We are celebrating the birth of our Savior and His birth is the most important birthday of all times.

This past Sunday our Pastor Rev. Jeff Snodgrass spoke to us on 'God's gift of Love'. Rev. Snodgrass reminded us that God sent Himself in a physical body. God is here. He lives in us and through us. It was a wonderful message. This Sunday Rev. Ray Brower will bring us God's message.

The choir, under the direction of Judy Nasby, sang the anthem. Paul Ruopp sang 'I Wonder as I Wander'. As always, he did wonderful in spite of the poor sound system. Thanks Paul.

The choir will not have rehearsals on Friday, 12/22 and Friday, 12/29. We will meet each Sunday at 9:30am in the Auditorium. This Sunday Gene and Lawrena Foland's daughter and son in law will bring their ministry of music to share with us.

If you would like to give flowers in memory or in honor of a loved one or friend, please call Betty Foland at 315-676-7413. Each Sunday at 10:30am we meet in the Auditorium for an inter-denominational service. All are welcome.

I don't think there will be a Bugle printed with the news for the next two Fridays so we would like to take this opportunity to wish everyone a blessed Christmas and a wonderful New Year. And remember, Jesus is the Reason for the Season!

CLEAN UP – NEED VOLUNTEERS The Landscape Committee values the look of our surroundings. It has come to our attention that the area behind the Quonset Huts need cleaning. We are asking for volunteers to help with this project. Please join us at 8am, tomorrow on Saturday, 12/16. Bring gloves and a smile.

BBC-8 Check out BBC8 programming which is now broadcasting some repeats from days gone by. Check it out and you just might see yourself on tv. Paul Ruopp will be hosting a Christmas show on Friday, December 22. You can see his live show at 8:00am and if you are not up at that time repeats of his show will be shown every hour on the hour on Friday the 22nd. He is sure to inform and entertain us all. And as usual thanks for watching us on BBC8!!
