### “LOOKING A LOT LIKE CHRISTMAS” - BRINY STYLE

Visiting Briny was magical as a child in the 1950s & 60’s. We have fond memories of multi-colored spot lights illuminating all the Coconut Palms throughout the community. As we prepare to celebrate our Corporation’s 60th Anniversary we want to Thank Jim Sempere for bringing back the Retro-Briny look. His initiative has encouraged others to uplight palms in other areas of the park. Enjoy the Holiday decorations by taking a stroll around the park and especially the West End of Bay Drive along the Intracoastal Waterway. Proud of our Briny history!

**NEWSPAPERS** Karen Roop is back and will be taking orders for the Palm Beach Post. Call her at (561)330-6407. Leave a message and she will call you back.

I will be receiving them at L 201 after Nov. 2nd. ~ Joanne Long

In memory of Ann Tourigny, the movie **Loving**, which takes an understated approach to telling a painful -- and still relevant -- real-life tale, with sensitive performances breathing additional life into a superlative historical drama.

**New: End Game (Will Robie Series)** by David Baldacci

**Murder on the Orient Express.** Want to compare the original movie (1974) to the latest version? Regardless of how the story is presented, it's still by Agatha Christie and her stories are timeless.

Please join the **Library Angels Club**. Just \$3.00. We need your dues to keep new books on the shelves. Thank you to all who add a few dollars to their membership dues, it really helps. You may want to consider asking friends & family to remember a loved one who has passed with a donation to the library, in lieu of flowers. ## **CHURCH NEWS**

It is so good to sing the beautiful Christmas carols. We are thankful that we have a Savior that we can honor now and year round. This past Sunday there was a wonderful service. The choir sang for the first time this season. We were blessed that so many came to sing in the choir, but there is always room for more. Come join us. We especially want to thank Ruth Peitsch and David Florence for their ministry of music.

Pastor Ray Brower brought us God's message. He spoke on Luke 2:7-14. It was a wonderful sermon on 'Miracle of the Manger'. It was 1. The miracle of the manger 2. Observation of the manger 3. Love came down with joy and peace. As always, a good message. Pastor Ray had hip surgery and we are praying for his complete recovery. This Sunday Rev. Jeff Snodgrass will bring God's message. To give flowers in honor or in memory of a loved one or friend, please call Betty Foland at 315-676-7413. The service is inter-denominational and we meet each Sunday at 10:30am in the Auditorium. All are welcome and remember 'Jesus is the reason for the season'.

## **CLUBS OR GROUPS OF SHAREHOLDERS HOLDING AN EVENT IN THE AUDITORIUM.**

The use of the audio and visual equipment requires training. This is expensive equipment with some programs pre-set for specific groups. The reservation form will be changed and each of you will need to specify who will be managing the audio and visual for your event and your practices as needed. These folks must be trained. A training was offered last year and will again be offered in January. The list of folks currently trained and available is short. We cannot expect to rely on them for all of our needs. We will arrange a time for this training and post it on the scroll and in the Bugle.

**TOWN NEWS** CONGRATULATIONS to Roger Bennett, who was appointed Town Mayor to fill the remainder of the term until March 2018. The Mayor’s seat was vacated when Jack Lee stepped down October 1<sup>st</sup> for personal reasons. Roger served as Mayor 2007-2013 when he retired to address health issues. Roger brings 6 1/2 years' experience as Mayor and we appreciate him stepping up to volunteer his expertise until the next Town election.

If you have an irrigation system on your lot, the South Florida Water Management District wants you to be familiar with the Year-Round Landscape Irrigation Rule. This rule limits landscape watering by an irrigation system to three days a week throughout Palm Beach County. No lawn and landscape irrigation should be done between 10:00 a.m. and 4:00 p.m. or at any time on Fridays. If your unit number ends in an odd number (1, 3, 5, 7, 9), do your watering on Monday, Wednesday, and Saturday. If your unit number ends in an even number (2, 4, 6, 8, 0), do your watering on Tuesday, Thursday, and Sunday.

New plantings may be watered for the first 30 days every day before 10 a.m. or after 4:00 p.m. except Friday. No irrigation watering is allowed on Fridays. Watering your plantings by hand with a container or a hose with an automatic shut-off nozzle is allowed anytime. During rainy season, don’t water on days that it rains.

If you have any questions, call the South Florida Water Management District “Water Conservation Hotline” at 1-800-662-8876.

**FOUNTAIN UPDATE** The Fountain Committee has been very frustrated with the slow progress. Getting quotes has been a difficult task. Pool installation companies say they are too busy over the summer as this is their busy season. After numerous requests, we only had one pool company show up. They told us we needed architectural drawings to price the job. We now have the drawings and are ready to request quotes again. These companies plan their work months ahead. Hopefully we can agree on a company and get them to schedule us for next May or June installation. It will happen.
