*** ARTICLES FOR THE NEXT BUGLE DUE BY NOON ON TUESDAY, MARCH 28th ***

ART LEAGUE

Please join us for our last Art League meeting of the season to be held on Tuesday, March 28 at 6:00 pm. We will discuss the results of the art show and elect officers for the 2017/18 season. Our sincerest thanks to all the wonderful volunteers for the Beaux Arts Reception and the show, the talented participating artists and the Briny staff who helped move furniture and other kind assistance.

CHURCH NEWS

This past Sunday the service was a blessing and a bit sad. We had to say goodbye to 2 wonderful people, Merle & Marilyn Wahlstrom, who will not be returning to South Florida next winter. Merle and Marilyn have shared with us their ministry of music for many years and we want them to know we have been truly blessed. Many thanks and may the Lord bless you as you continue your ministry.

Rev. Ray Brower was the pastor for the service. He spoke to us about 'The Vision of our Vocation'. Scripture was from Ezekiel 37: 1-14. Pastor Ray reminded us that we always have to have a vision, and the vision should always be with God; always trust God. As always, a good message.

The choir sang a beautiful anthem and Merle & Marilyn did all the special music. The choir meets each Friday at 10:15am for rehearsal and Sunday morning at 9:30am for rehearsal. Come join us for the beautiful Easter music.

There is still time to give flowers in memory or honor of a loved one or friend. Please call Betty Foland at 272-3990.

This Sunday Mike Bingham will be bringing God's message.

The church board is still looking for two more people to work the sound system for one Sunday a month. If you can help, please call Chuck Foland at 272-3990. The service is inter-denominational and meets each Sunday at 10:30am in the Auditorium. You are invited to worship God in your own way and He will bless you in His way.

BLOOD PRESSURE SCREENING The last Blood Pressure Screening will be on Thursday, March 30th for this year. We hope everyone has a healthy summer and will look forward to seeing you in January 2018. Sincerely, The B/P Nurses

THANK YOU!! THANK YOU to Omar and our maintenance guys for repairing all the rockers on the Clubhouse porch. When moving the rocking chairs, be sure to pull them from the BACK of the chair. Moving the chairs across the porch by pulling on the arm-rests causes the rockers to break off.

CURTAIN RAISERS We hope you enjoyed “The Newsroom” as much as we did and may be interested in joining us next year. Our final meeting this season is 12PM – 2PM, Tuesday March 28th at the Club House. A short business meeting will be followed by a cast (+guest) celebration lunch with a video of the show. Please attend and tell us about your interests. We will elect officers for next season and comments/nominations should be sent c/o Andy Neureuther, S-201.

Many thanks to Michael Coppola our Artistic Director for his creative and enthusiastic leadership.

Michael synergized our diverse interests in writing the show. He also designed/built the set, and produced the publicity and program. Most importantly he took us past the words/songs, to the action, and on to expressing the feelings of the characters.

We sure missed John Draper and dedicated the show to him. It was great to have Anne Harkness back this year and also have Shelley Swenson join us. Pat Columbus and Ron Vaughn showed us surprising comedy moves with a message. And Marj Cline, Michael Coppola, Anne Harkness, Bob Jurovaty, Andy Neureuther, Paul Sullivan, Ray Sullivan and Shelley Swenson all piped-in during this light comedy musical.

A very special thanks to Mary Fulton Kelly for the musical accompaniment. Mary has the special skill being able to follow us as we change the tempo add lines to the music. Mary did the Curtain raiser’s show in addition to Church, Cabaret, and Chorus requiring four full notebooks of music this year.

The new audio system has good clear sound and we are most of the way up the learning curve on using it. Ted Gross not only helped with the top-down set-up but also rolled up his sleeves on a bottom up hardware issue. Thanks to Stan Brunell and Alan Saxton for mastering the new audio system and flying it for the show. Len Columbus, Sue Atlee, and Harrison Edison did the lighting including an additional second spotlight. Thanks to John LeGrow (Video), Joan Nicholls (Photography) and Joanne Long (Basket Angel). Rick Beckvermit and Andy Abraham moved the choir stand and organ for us on short notice.

Len Columbus was a godsend as an electronic expert, mentor and collaborator this season. Len saved the Curtain Raisers thousands of dollars by repairing and reconditioning the legacy bodypack transmitters and headsets. Len was also a personal mentor and lifeline on the audio system. In addition he took the lead in an upgraded audio system for the Art League and in setting up Karaoke for the Beach Club.

Thanks for the great season!
