CHURCH NEWS

Can you believe it is March already? Before you know it, folks will be talking about going home and that is always sad. Last Sunday was far from sad. It was a time of hope and encouragement. The service was led by John and Barbara LeGrow. Barbara spoke about 'Ash Wednesday Ashes'. She told us about 3 tents that burned down on a military base. It was Ash Wednesday and some folks wanted ashes. Because everything had burned (trees, etc.) the chaplain decided to get a cup of ashes from the tent fires and in the bottom of the cup was a gold cross. It was declaring that 'Jesus is Lord'.

John spoke about 'A Touch of Faith'. Scripture reading was from Mark 5:21-34. He told us many stories about how a touch of faith got so many through so much. When God speaks to us, we may not always hear His answer to our prayers. Sometimes we have to wait, but they will come. We are always to listen. John's message was wonderful and we thank them both for sharing with us.

The music was lovely. Jim Carter sang 'Rock of Ages' with such meaning. Thank you! Judy Nasby and Diane Draper with the choir sang 'He Touched Me'. We are blessed to have these folks that share their talents.

If you would like to give flowers in honor or memory of a loved one or friend, please call Betty Foland at 272-3990. This Sunday, Rev. Ray Brower will bring us God's message and it will be a communion service. The service is held each Sunday at 10:30am in the Auditorium. All are welcome. You will receive a blessing.

ART LEAGUE NEWS We hope that you have seen some of the great art in the Art Studio recently. Pat Columbus has sparked the imagination of her class participants and they have had great fun in the process.

The 65th Anniversary of the Briny Art Show is just weeks away! We look forward to showcasing the wonderful talent of Briny artists, from beginners to professionals at the Beaux Art Reception and Art Show. The Beaux Art Reception will be held on Thursday March 16 from 4:00 to 6:00 pm in the Art Studio. The Art Show will be held on March 18 & 19 from 10:00 am to 4:00 pm.

Please plan to join us for the final planning meeting on Tuesday March 7th at 6:00 pm. Participants artwork entry forms and registration forms for hanging artwork in the Art Studio should be submitted to Laura Sawchuck no later than March 7. Forms and instructions are available in the Art Studio. The art will be hung on March 15 in preparation for the Beaux Art Reception scheduled for Thursday March 16.

The Art Show Community Center registration forms are also due to Pat Columbus on March 7. Forms and instructions are available in the Art Studio.

We thank all the outstanding volunteers this year! We hope you will join us to celebrate the joy in art and sharing with friends. George Canberg, Laura Sawchuk, Pat Columbus, Mike Amaturro and Stan Platsis

3/16 Beaux Art Reception, 4-6pm; 3/18-3/19: 65th Anniv. Art Show, 10am-4pm-Comm. Center/Art Bldg.

REFORMATION HISTORY 101 MONDAYS 6:30 - 8 PM WEST CLUB ROOM

George Huber - will give Briny a special presentation for the 500th anniversary of the Reformation. George will put historic perspective on the 1517 Protestant Reformation and the lesser known Catholic Reformation or "counter reformation" which followed. We will discuss the Renaissance movement to Humanism vs Christian Humanitarianism. Everyone is welcome.

MARY LOU MEUNIER IS TURNING 90! My mother will be celebrating her 90th birthday in July. I am working on a memory book and would love to be able to include memories of Briny. If any of her friends and neighbors in Briny have any special memories and/or pictures of Mary Lou, I would appreciate it if you would send them to me to be added to this memory book. ~ Mary Curtis (L-5)

THE BRINY BREEZES LANDSCAPE & BEAUTIFICATION COMMITTEE Thanks You the Stockholders for your votes and, therefore, your approval of the Fountain Improvement and Legacy Brick Project. As we now begin to move forward with the designs for this project, we hope for your continued support and contributions. We are beginning the process of selecting design elements that can be presented to the contractors to help shape our final detailed proposal.

Because of the previous voting issues, we know that many of you were hesitant to sign up to participate in the purchasing of The Briny Breezes Legacy Bricks to fund the Project until we had received a favorable vote. We would encourage you to join us, if you have not previously donated to this Historic Project! Please pick up necessary form at the Briny Office to sign up for your request for an engraved Legacy Brick and send the form and your check:

Jim Carter has donated the DVD **Our National Parks**. If you attended the Travel Club's presentation in January, you'll be excited to view this DVD.

Can you guess how many hardcover books are out on any one (in season) day? 207 hardcover books! That does not count all the paperbacks & movies. This tells us how many Briny residents are using the library. Absolutely wonderful! Since so many are using the library, we ask that you please take a minute to ask, "How long have I had this book out?" New books should be returned after 14 days, older books after 30 days. Borrowers please return any overdue books.

CURTAIN RAISERS "The Newsroom" is in full swing, rehearsals are underway and everything is in order. BUT - We still need some help. We need some people to help build some of the set pieces – carpenters, chisellers, artists, woodworkers, etc. It's nothing too difficult, but some experience with building would help. We are also looking for someone to help with the costume pieces. There might be some alterations, etc. of existing pieces. And we are looking for some help from some of the great Artists we have in the park. If you can spare a few hours, please consider helping the Curtain Raisers with this exciting production. Contact Michael Coppola at remike@comcast.net or 603-365-6040 or drop a note in L-204. Thank you to everyone who has already helped, and - we found our typewriters! Mark your calendars, "The Newsroom" hits the Briny Auditorium Tuesday March 21st.

TOWN NEWS - Sea Turtle Nesting Season Begins March 1st

Florida's beaches are important nesting areas for sea turtles, and the sand dunes are home to many unique plants and animals.

Help protect Florida's sea turtles and the coastal habitats upon which they depend. The sea turtle nesting season in Florida runs from March through October on the Atlantic coast. Remember a few simple things to help protect these magnificent creatures:

- It is against the law to touch or disturb nesting sea turtles, hatchlings, or their nests. Sea turtles are protected by both the Federal Endangered Species Act and the Florida Marine Protection Act.
- **If you see an injured or dead sea turtle, call the Florida Fish and Wildlife Conservation Commission 1-888-404-FWCC (3922) or *FWC from your cell phone.** Be prepared to answer the following questions: What is the exact location of the animal? Is the turtle alive or dead? What is the approximate size of the turtle? Is the turtle marked with spray paint? (This indicates that the turtle has been documented.) What is the location of the closest access point to the turtle?
- Avoid going to the beach at night. If you must be on the beach at night, limit your walking and do not use flashlights or flash photography. The light may cause the female to abort the nesting process, or other sea turtles nearby may be discouraged from nesting if there are lights on the beach.
- Turn off outside patio lights and shield indoor lights from shining directly onto the beach by closing the drapes at night. Lights disturb nesting sea turtles and hatchlings. Make sure your beachfront lights are in compliance with the law.
- While enjoying the beautiful beaches during the day, avoid disturbing marked sea turtle nests, and take your trash with when you leave the beach.
- When crossing a dune, use designated cross overs and walk ways. Do not climb over the dunes or disturb the dune vegetation.

BOARD NEWS

Dear Stockholders: After re-checking totals for the number of shares represented at the 2017 Annual Meeting, the office has verified that the quorum attending the Annual Meeting, either in person or by proxy, was just over 75% and not the 90% announced at the meeting. At future Board Meetings, we will change our process to include a 'second person' check of all certified registration totals on our sign-in sheets to minimize the chance of this sort of error recurring.

This miss-reporting of the quorum for the meeting was found to have no effect on the vote count and outcome for the 5 Ballot Items voted at the Meeting. All passed with the reported results. This was reconfirmed by retotaling the vote tabulation sheets which were found to be accurate as reported at the meeting. ~ Tom Oglesby, Liaison for Voting Oversight Committee"

MANAGER NEWS

911 & NON EMERGENCY CALLS: YOU MUST PROVIDE THE FULL STREET ADDRESS of the location of the issue, NOT the mailing address (5000 N Ocean Blvd) or their Unit letter/number. This will improve the response time of both Police and Fire/EMS. Thank you! * Also, the non-emergency number for Boynton Beach is (561) 732-8116.

PICK UP AFTER YOUR PETS! Please remember to be kind to your neighbors and pick up dog waste. Thank you!

REMINDER: All pets must be on a leash and fully under the control of its owner while in our community. District V, while currently vacant, is not a dog park. We have folks that still walk in the area. And as always, please pick up after your dog, even in our garden areas.

SMOKE ALARMS: It is imperative that you check the batteries in your smoke alarm and make sure it is in good working order. There was an incident where one went off in Briny and it may have saved that mobile home or even a person! Check your batteries!
