Thank you so much for all the expressions of sympathy regarding the death of my beloved husband, David Hugh David. There's no place like Briny! Sincerely, Edith Behm

SEPTEMBER HAPPY HOUR - Every Wednesday evening 5-7:00 PM

New residents and family guest always welcome. Bring your own Beverage and a snack. Enjoy the cool summer breezes on the Ocean Clubhouse Porch. Pull up a 'rocker' and relax with fellow Residents as we watch the eastern sunsets.

COMMUNITY-WIDE FRIDAY NIGHTS BBQ

Sept 8th & 22nd - Join fellow Summer Residents at the Pool Cabana around 6:30 PM. New residents and family guest always welcome. Bring side dish to share with everyone, your own meat/main dish to cook on the grill, drinks, utensils and plates. Casual or Swim wear appropriate as many choose to swim during evening. Feel free to stop by anytime even if not eating for great socializing. Hope to see you every other Friday night during September.

SAVE THE DATE! March 10, 2018. In 1958, Paul L. Miller sold Briny Breezes Trailer Park to a group of residents for \$1,500,000. Sixty years later, it's time for a celebration! A group of about 15 summer residents met on August 10 to start making plans. The celebration theme is "Strawberries", recognizing that Briny was once a Strawberry Farm. We are planning a golf cart parade, games, music, historic displays, and a Pipe & Drum Corp. Of course food, friendship and FUN!

Goals of the **60th Anniversary of Briny Breezes Corporation** include: fun & fellowship for residents of Briny and their neighbors, remembering Briny's rich history, honoring our older citizens, educating newer residents - why we are a unique community, celebrating Briny's diversity, promoting club awareness and membership, and creating a legacy gift (memorial) to give back to the community.

Some of you may remember the 40th and 50th anniversary celebrations, which were very big affairs that everyone enjoyed. This celebration is still in the beginning planning phase and we need all of your ideas, encouragement and help. We need someone who will be the chairperson for this event and lots of volunteers. Please respond in writing to Ken Gross N-203 with your ideas and how you'd like to be included.

DID YOU KNOW? During World War II, the Coast Guard stationed a boat at the Boynton Inlet. Members of the Coast Guard rode the beach on horseback and walked the beach with guard dogs as Germans were said to have come ashore for sabotage purposes.

CHARGE CARD PAYMENT CONSIDERATION

On September 18th at the 2017-18 interim budget meeting, the Board will consider eliminating the use of charge cards for all payments/fees. The Board will also consider whether to allow the charge cards for quarterly assessments, starting in the second quarter, that would include a fee. The motion for making this change is due to the cost incurred for 2016-17, which has exceeded \$11,000.
