**\* ARTICLES FOR THE NEXT BUGLE DUE BY NOON ON TUESDAY, FEBRUARY 27<sup>th</sup> \***

### **IN MEMORY**

It is with deep sorrow that we announce that Robert Wing (H-11) passed away peacefully in Staten Island, NY on January 20, 2018. Bob loved spending his winters in Briny Breezes with his wife and many friends & family. He is survived by his wife Joan, married 60 years this past June, and five children and seven grandsons.

On Monday, February 6, Jack Grill (J-203) died following a brief illness and funeral services were conducted in Pennsylvania. Jack and I first came to Briny in 1983, and resided in Section 5, Alcatraz. We became home owners in 1986. Jack loved Briny, enjoyed his golfing buddies, and walking every morning along the ocean. Our family will continue to be in Briny - forever. Memorial contributions may be made to Pennsylvania Trappers Association or the Gettysburg Battlefield Preservation Society. ~ Almeda Grill

Over 150 people attended the Travel Club Program on Wed., Feb. 14 in the auditorium. Quebec was the subject and many attended who were part of a tour of the Canadian Capitals last summer with George and Lorna Huber. George Huber gave an excellent narration with photos provided by Beth Foland, Lois Carter, and Jim Carter. Lois also developed a Power Point presentation which George used to illustrate his talk. A great evening, enjoyed by all. The next meeting of the Travel Club will be held on March 13 which is the last program for this season and will include a potluck dinner and a program by Ken Gross, "Blue Water Sailing in the Grenadines".

**MIDWEST PARTY: Another wonderful year.** About 100 people attended with their party clothes on and ready to go. People from all States and other countries joined in on the fun. We had one game with many questions, here are a couple. "***How many States make up the Midwest?***" & "***What type of teeth did George Washington have?***" (*who knows that answer for sure?*)? Roger Klink for everything from start till end, "***The Wind beneath my wings.***" The smiles and laughter made all of us realize, we volunteer to help make others happy. **WE ALL DID OUR BEST and mission accomplished.** Barbara Klink

**YOGA CORNER:** *Yoga, always a wonder!* Practicing weekly and biweekly is really paying off. Practicing “*letting go*” is a workout of our physical and emotional wellbeing. We tend to hold on to things emotionally especially the things that bother us the most. It’s a workout in itself to hold on to negative thoughts and judgement. Sometimes we start to guard ourselves from being hurt or the subject of gossip. That however is why **Yoga is good emotionally**. Through Yoga poses and stretches we relieve the tension we carry physically and the emotions follow. *Does Practice really make Perfect????* The Yoga Lady, Barbara Klink

He will understand. As always, a wonderful sermon. The music was lovely. Jim Carter did the special music and the choir did the anthem with Eric Wolffbrandt doing the solo work. We are truly blessed to have so many folks coming to choir each week. If you would like to give flowers in honor or in memory, please call Betty Foland at 315-676-7413. This Sunday Rev. ### **DO YOU HAVE OLD BRINY PHOTOS ? - 60TH ANNIVERSARY COMMITTEE**

Searching for photos of Briny over the decades. Current technology allows us to scan either individual or album photos quickly. Contact Ken Gross (N-203)

### **TOWN NEWS HAZARDOUS WASTE TIP FROM TOWN HALL**

Fluorescent light bulbs do contain mercury and should not be thrown away in the trash. Fluorescent light bulbs use less electricity than a standard incandescent bulb, last longer, and give off less heat, making them a cost-effective lighting alternative to regular incandescent bulbs.

Briny Breezes residents are asked to bring their used fluorescent bulbs, and other mercury containing devices such as thermostats, thermometers, electrical switches and liquid mercury, to their nearest Solid Waste Authority Home Chemical and Recycling Center. You can dispose of these unwanted chemicals for FREE at any of the SWA's seven convenient drop-off locations.

**BBC** Need to know what's going on around Briny???? Don't forget to check the Scroll. You can see BBC-8 Programs and the Scroll by tuning into Channel 8001. Can't still get BBC-8. Write a note with name, unit # with your AT&T account # and your pin# and send to Michael Coppola at H210 Palm and we'll work on getting it up and running for you.

### **MANAGER NEWS**

**HOBBY CLUB PARKING** Please obey the rules and do not park your golf cart or car in the no parking area at the corner of the Hobby Club and Banyan. It is very dangerous when cars come around that corner, especially if vehicles are in the no parking area and block the view.

**INSPECTIONS** During the past couple of weeks we have been riding throughout our community with the purpose of locating fences that do not belong and/or walk through areas that appear blocked. The good news is that we did not find too many problems. However, we do want to remind all of you that shrubs, bushes etc. on your property need to be trimmed. We saw (especially in District 1- sorry) lots of overgrown areas that block passage between and behind units. Please attend to these. By doing so now, helps us minimize the number of warning letters that need to be sent and/or followed up on. This gives us time to attend to other things- very much appreciated. Theresa Pussinen, GM

**A/C REMINDER** Please remember to turn off A/C thermostats in corporate buildings before you leave the building. Thank you.

**CORPORATE KEYS:** If you have a key to a corporate building, room etc. and you do not use that key regularly any longer, please save the corporation some money and return it. Other resident volunteers have taken on responsibilities that you may have had previously, and a key would make it easier for them. Appreciate the help.

**OCEAN CLUBHOUSE** closes at midnight. You need to be out by then or the alarm will go off.

**INSURANCE** Remember to turn in updated golf cart, boat, motorcycle insurance to the office.

**NO PARKING** There is no parking allowed under the Banyan trees on Banyan Blvd. unless there is a large function (such as a shuffleboard tournament) that has been approved by the Manager.

**UNIT NUMBERS – PLEASE** make sure you have reflective unit numbers on your mobile home, visible for Police, Fire, EMS, etc. Thank you.

**AT&T VACATION MODE – IMPORTANT:** Vacation Hold can be activated for a minimum period of two months and a maximum period of nine months. When you voluntarily suspend your services, you are not able to suspend one service or reinstate only one service, it is all or nothing. **If you only have basic TV service that the Briny Breezes Bulk provides, you do not have to suspend.** If you are suspending your services you will be charged \$5.00 recurring monthly fee per service. When you reinstate the services you will be refunded for your Briny bulk TV only.

You must call the Bulk Center to reinstate or suspend services: 1-866-299-6824. When calling you will need your 9 digit account number. The Bulk Center is open 8am -8pm, closed on weekends. If you call on the weekends it will forward you to a regular customer service department. They are not the correct department to handle your request. Please call the Bulk Center Number listed above Monday-Friday.

For **Repair or Technical Support** please call [1-800-288-2020](tel:1-800-288-2020). Please note that a customer **must** call repair for a Technician to come to the home. A Technician must receive a repair ticket number that provides a Technician with clearance to allow him/her to come into a Customer's Home. I cannot summon a Technician to come into someone's home. The Technicians must have a referral trouble ticket.
