FROM THE MANAGER

Dear Residents, What a pleasure it is to join you at Briny Breezes. I have driven past your community twice daily commuting to work on A1A for several years.

I come to you from the Condominium world in Boca Raton having been a manager since 2009. I love the adventure that property management provides. There are never two days the same. The best part of this job are the people. I have had the pleasure of meeting several residents, some as they have come in to say they are leaving for the season, and others who enjoy Briny all year long.

My focus to begin with is learning your community and all of the many committees and programs you are blessed with at Briny! Wow, what a wonderfully active and involved community. I will reach out to all chair people in the next few weeks to say hello.

Of course we are quickly moving into Hurricane Season. Irma did a big number on many of our communities but did not deliver the punch we all prepared for thank goodness. None the less I am making observations, reading over the materials and process's that you have at both the community and town level. The best time to prepare for the season is now. I commend the process you have in place when leaving for the season, well done! We have storage areas that are in desperate need of cleaning up and securing and I will be in contact with those who are renting space if you have loose debris.

In the weeks to follow we will send out updates on the Road Replacement projects for Flamingo and Lark. If all goes as planned the work should begin the first part of June. ~ Donna Coates

IN MEMORY

Freeman Billock (CD-10) passed away peacefully in his sleep May 16, 2018. He and mom raised 5 wild kids. Dad would fly his Navion plane, whenever he could. In retirement, moved to Briny. He swam daily for years; and played a good game of shuffleboard. He went to McDonalds almost daily to discuss world events with the guys, at their table. Dad loved animals. His cat Slim would ride on the hood of car, only in Briny; and he taught Smoky the cat to block Cedar Dr. He will be missed dearly by his family. Per his request there will be only family services in Michigan, at a later date.

TOWN NEWS SIGN UP FOR EMERGENCY ALERTS: In preparation for hurricane season, town officials urge residents to sign up to receive emergency alerts specific to Briny Breezes by using the web site www.alertpbc.org. Once on that web site, anyone can create an account and choose to be contacted by text message, mobile phone, home phone, or email. A user can also select which alerts to receive, for example, hurricane watch, hurricane warning, tornado watch, tornado warning, thunderstorms, and/or floods, etc. Town Council and the Corporate Office encourage all residents to sign up so that they are notified immediately of any severe weather or emergency situations.

GOLF CARTS At the April Town Council meeting, Town Manager Dale Sugerman provided the Town Council with an update on the negotiations with the Florida Department of Transportation on the use of golf carts in Briny Breezes. Here are the facts about the use of golf carts:

- The determination by the Town Council **does not** mean that golf carts are prohibited in Briny Breezes. Golf carts are still allowed in Town. However, there are some strict regulations as to where they can be used.
- There are street legal golf carts and non-street legal golf carts. **Street Legal Golf Carts** generally speaking, are subject to the same requirements for registration, insurance, taxes and state-regulated inspections as other vehicles being operated on the same roadways or neighborhood streets. That is, to be street legal, the golf cart must be registered, have lights, windshield wipers, turn signals, seat belts, reflectors, and other features; just as if it were an automobile. Any golf cart that does not meet these requirements is not considered street legal. Non-street legal golf carts are not allowed to traverse any portion of State Route A1A.
- Since the sidewalk running north and south on SR A1A is only 5' wide, no golf cart (street legal or non-street legal) is allowed to use the sidewalk. This is currently prohibited and has always been prohibited under Florida State Statute 316.212 (8)(b)(3) and Town of Briny Breezes Code Section 16-95.3(4) which was adopted in February of 2015. Any golf cart (street legal or non-street legal) which traverses the sidewalk of SR A1A is subject to a citation issued by the Boynton Beach Police Department.
- There are a variety of different fines associated with illegal use of golf carts on the private streets of Briny Breezes, SR A1A, and the sidewalk adjacent to SR A1A. The minimum fine begins at \$116.00 (plus court costs) and goes up from there; depending on the type of violation.
- Over the last few years, the Boynton Beach Police Department has not strictly enforced the FDOT, State Statute, and Town Code regulations regarding golf cart usage in the Town of Briny Breezes. The truth of the matter is that the laws have not changed, and the Florida Department of Transportation has previously determined, and they continue to take the position that they will not waive, grandfather, or provide any special exceptions to golf cart owners in the Town of Briny Breezes.
- Therefore, all golf cart owners/users in the Town should be aware that the Boynton Beach Police Department will be enforcing the laws and regulations regarding the use of golf carts in the Town. Warnings will be issued for approximately 60 days, with citations issued to violators after that.

FOUNTAIN UPDATE The first few and important steps in replacing our centerpiece fountain have been undertaken. The demolition of the old fountain went very smoothly. What we thought was a coral surround was not. It was discovered that it was fabricated with concrete to look like coral. Now the next steps begin. A soil test needs to be done to make sure the base will be strong enough to hold the weight. The results will move to the approved permit stage. We have had so much rain, all last week and projected to rain every day this week. Yet, we continue to progress. We still need voluntary contributions to complete this project. Fill out the form in this Bugle (forms also available online). Become part of the historic Brick & Fountain project.
