### **COMMUNITY CARING CENTER**

For many years my mother, Ann Kimlicka, has brought all of the donated food at the end of the season to the Community Caring Center and I'm sure many of you are grateful for her time, energy and compassion to share the food that Brinyites could not use up before leaving Briny. This year, I will be taking over for her and, once again, ask all of you to consider donating your non-perishable goods for a good cause. It would be much easier if you could bring your items to **G11, Ruthmary** and leave them on the table on the patio instead of dropping off at the office. Please check the expiration dates as expired items may not be donated. Also, items that have already been opened are not accepted at the center. The Community Caring Center appreciates you as there is definitely a need in the area. Thank you! Barbara Molina

## **BOARD NEWS – NEW GENERAL MANAGER**

The Board of Directors is pleased to welcome Donna Coates, CAM as our new General Manager. Since 2009 she has worked as a General Manager at two different local home associations. Her references expressed sorrow that she left and were enthusiastic and positive about her character, her energy and her commitment to her work. In January of 2018 she was recognized by the Mayor of Delray for her efforts to the community before, during and after Hurricane Irma. Donna joins us May 9, 2018. Some of you may have met her on Tuesday April 24<sup>th</sup> as she spent the day here at Briny. Those of you she met could not have been more welcoming and she noticed. On behalf of the Board we welcome Donna and trust that you will as well.

~ Susan Brannen, President, Board of Directors

## **YOGA CORNER**

It has been a wonderful experience practicing yoga with others in the ocean clubhouse. Listening to the sounds of waves and viewing the ocean at the same time as practice, was more than words can say. The number of participants ranged from 2 to 12 on any given day. It was fulfilling and brought us all promise of being the best we could be. We all moved forward in many ways. Practice is personal and the hardest part of practice is showing up. However, there is always a next time. Remember Briny Breezes Community has so much to offer with all the volunteers that step up. Thank You Briny for allowing all of us to be part of a bigger thing. Enjoy your summer to everyone. Remember, no matter who you are and wherever you go, make sure to breathe and hold your core in... then..... remember to EXHALE!!!

~ Barbara Klink

A special shout out to Jim White, Jill Kohut and Renee Roberts who both cooked and served in some capacity! ## **HISTORICAL PRESERVATION COMMITTEE**

'Life is a Breeze in Briny'

*Vero Press Journal 5/24/92*

Residents of this Mayberry-by-the-sea chuckle at Hollywood's comic portrayal of their community, and grin and bear homeowners who look down their noses at mobile home parks. 'We don't mind... We know we've got the best place to live in the world,' explained Esther Morgan, a 30 year resident of what is undoubtedly one of the nation's most valuable mobile home parks.

Hugh David, who's lived here since 1952, figures his 40x70 foot lot alone, without his home, is worth more than \$200,000. 'I wouldn't sell it for that,' he added.

Palm Beach County appraisals have indicated the property here is worth at least 14.5 million. But property values don't tell the true worth of Briny Breezes, residents say. While mobile home communities by definition are transient, there are still 17 people left who unhitched their trailers four decades ago, raised children and retired here. There are also second and even third generation residents. Tucked between the Oceanside highway and the Intracoastal Waterway, Briny Breezes, a 43 acre town of 536 lots and up to 1,100 people at the height of the winter season, is an oasis of neighborly tranquility on Florida's Gold Coast.

Since 1958, the park has been owned by residents who pooled their resources to save it by matching a 1.5 million dollar offer the Miller family had received from development-minded corporation.

The town budget remains under \$300,000 a year. Briny Breezes has no deficit, while over the years adding a sewage system, a swimming pool, an auditorium and community center.

Neighbors are on a first name basis. They stand in the drugstore or town office chatting or participate in such activities as shuffleboard, square dancing and crafts.

In the new movie 'Folks', a dark comedy starring Tom Selleck and Don Ameche, Briny Breezes appears as 'Balmy Breezes'.

## **NEWS FROM THE OFFICE**

**DOGS** Dogs must be on a leash and that leash must be in the hands of a responsible and able person. Please follow the rule.

**IMPORTANT** Golf carts, bicycles and cars must follow the rules of the road. This means going the correct way down a one way street. You are creating safety hazards each time you choose to do differently. Our roads are not wide with lots of parking along many of them. Let's keep all of us safe.

**HOBBY CLUB PARKING** Please obey the rules and do not park your golf cart or car in the no parking area at the corner of the Hobby Club and Banyan. It is very dangerous when cars come around that corner, especially if vehicles or carts are there and block the view.

**NO PARKING** There is no parking allowed under the Banyan trees on Banyan Blvd. unless there is a large function (e.g. shuffleboard tournament) that has been approved.
