*** ARTICLES FOR THE NEXT BUGLE DUE BY NOON ON TUESDAY, APRIL 2nd ***

FROM THE DESK OF DONNA Spring has sprung at Briny! Things are winding down for the season and most of you are preparing to fly north and beyond! There will be an article in the Bugle each week to remind you what must be done prior to leaving.

Emergency contact information forms are coming back completed and we thank you for this. We ask everyone to update this information. Who can we contact if there is an emergency and we cannot reach you. We want to know who takes care of your homes as far as closing them up. Who is charged with keeping up your yards? Please make sure that they understand when to put out yard cuttings or better yet arrange for them to haul them off when done. We will contact the homeowners when things go wrong or become over grown or not properly closed.

Hurricane season is fast approaching and it is imperative that you tie down anything that you cannot move into or under your homes prior to leaving. Empty the freezers, and refrigerators. Nothing is worse when there is a power failure than rotting food and melted ice cream. Prepare for the worst and hope for the best! **Mobile Home Tie Down Meeting April 2 at 10am/Comm. Center – See the Town Hall Notice towards the end of the Bugle for more information.

100TH BIRTHDAY CELEBRATION! We invite Ernie Baker's Briny friends to his 100th birthday party! A little red, a little white, a little bubbly, a few snacks and plenty of socializing. Please join us on his big day, Friday, April 12, 4:00 – 6:00 PM at the Briny Club House. RSVP (a note in mailbox R 210), if you can, but not required. After 100 years he has accumulated all he needs, so no gifts please. Your friendship is more valuable. His 100 year old eyes no longer see facial features, so when greeting him, please tell him your name.

WITH APPRECIATION to Bruce Handley, Quentin Collins, Joe T, Roger Grove for every single thing they do for **Bingo**. A huge **thank you** to the Employees of Briny. (*Especially Sharon, Christy and Rick*). These people continue to work hard for us to live in our wonderful community. **Give them a high five when you see them.** (hope we didn't forget to mention anyone). **Lots of Love** till next season, The Bingo Committee!!!

A SAD DAY FOR ALL OF US AT BRINY I was sitting at my bench at Chiselers, across from Curt Mosher watch Curt empty his locker for the last and final time, trying to reconcile that the Mosher's (Curt and Beverly) will be leaving us as they enter a new phase of their lives. This is a very big loss for our community. Curt and Beverly are the epitome of all that makes Briny, Briny. Curt, an outstanding wood turner who unselfishly helped fledgling turners through their projects; Bev's cheery face could always give some of the very best interviews on BBC, bringing out so much interesting information, always with a little humor. Goodbye old friends. I hope you will be as happy in your new life as you were in your old. ~ Gene & Carol Marmann

YOU WILL BE MISSED Who gave more of their hearts and love to Briny Breezes than Bev & Curt Mosher? From spending their honeymoon here in 1952, to swirling in square dancing, to taking their boat on trips up the intracoastal, to motorhoming with friends across America, to being a master chiseler and bridge player and Monday night gin, to 27 years on BBC-8 and much more donation to Briny and their friends. Thank you for welcoming us to the neighborhood 11 years ago and being such wonderful neighbors. With tears in our eyes, we wish you the best!

CURTAIN RAISERS: THANKS FOR BRINY SUPPORT AND ENTHUSIASM A big "Thank You" from the Curtain Raisers to Briny for your support and enthusiasm that made performing "You Never Can Tell at Briny" exciting for us. Getting to know each other better, discovering hidden gems of talent, and being able to contribute to Briny as a special community was rewarding for us.

A special thanks to Jean McFadden and Ann Harkness for initiating the script and Barbara Molina for joining them in producing a polished script. Thanks to Hank Dernbach for constructing the Briny Grapevine and Annabelle Fuhr for making it a piece of art that served as a colorful backdrop for much of the play. Thanks to Marj Cline for recruiting the Kitchen Helpers and coaching many of us. Thanks to Stan Brunell's quick technical action we enjoyed a video of the show (DVD copies are available for \$10 which benefit the Curtain Raisers).

The Curtain Raisers will be led next season by President Jean McFadden who brings both artistic interests and experience in leading organizations. She would like to hear from you about weekly club activities early in the season that would be both enjoyable and develop acting skills. Ann Harkness will continue as Vice-President and teach us dancing. Andy Neureuther has been promoted to Secretary (as he has a word processor and printer) and Cindy Neureuther will serve as Treasurer.

COMMUNITY CARING CENTER FOOD COLLECTION If you have any food, cans, unopened boxes or unopened toiletries that you wish to donate, please leave on my mother's (Ann Kimlicka) patio, G-11 Ruthmary in the box on the patio table. Many of the items previously left in the office are too heavy for me to carry! The center appreciates our donations which help supply groceries to local families. Also, kindly check the expiration dates before donating. Thank you very much, Barbara Molina

CABARET CLUB BEACH PARTY 2019 After a year hiatus, the Cabaret Club was excited to return to the tradition of sponsoring the end of season Beach Party for all to enjoy on Sat., March 23rd. Mother Nature presented a picture perfect day (I think the best EVER) with no wind and moderate temps. As always, the volunteers stepped up to the plate helping with set up, clean up, raffle, food and 50/50 raffle ticket sales. Thanks to all the clubs(Garden, Swim, Shuffleboard, Beach, Bingo, Boating and Fishing), Briny authors, Briny historians, legacy brick salespeople, Barb Mulvey, Cindy Holbrook (horserace), Cliff and Remus for beer sales and setup, and others who participated. Thanks to our new cooks and food organizers this year, Kevin and Dale Howlett, Nancy Aceto who always makes the delicious chicken salad, and the grill cooks and servers. I also want to thank Handiman Plus, Chris Nagiewicz who donated \$250 towards our food costs and AMS who donated \$250 towards raffle prizes as well as the other area merchants who contribute to our prizes (see attached list). Congratulations to the winners. Thanks to Eileen Duffy and her crew for organizing 50/50 ticket sales and congratulations to a Jeannie Archibald who won \$375. , Dymin's music was wonderful , as usual (she will be returning next year), Thank you Joan Nichols and Pat Columbus whose fabulous photographs archive the event. Without Andy and Rick who fulfill our work order, we would be lost, thank you. And thanks to Henry, Diane, Michelle and Char, the Cabaret Officers and Committee who make this all happen so we can provide free or low cost entertainment to you all season long. I'm sure I have forgotten to acknowledge someone or some group and apologize in advance for any omissions. Join us for our new event, Jazz on the Beach, April 14th from 2-4 pm with saxophone entertainment and save the date for next years Beach Party on March 28, 2020.. (P.S. The ladies hula hoop contest will be bigger and better next year...keep practicing, girls!) ~ Nancy Greenblatt, President

APRIL 4 BRINY SHELL CLASS To end the season lets go "cute". I would like to end the shell craft season with my favorite shell project: shell critters. This is a totally open, totally imaginative craft making cute little critters from a host of different shells. You can use a glue like E6000 or the hot glue gun. You can use ideas from Pinterest, from the samples we bring, or from the depths of your creative mind. And as always, feel free to bring a project you need to finish. See you on the beach, Rich Hall

CHURCH NEWS We sure hope you are a blessed week. Everyone enjoyed the beach party last Saturday. It was a beautiful day. This past Sunday there was a wonderful service. John and Barbara LeGrow led the service. They are lay worship leaders. Barbara talked to us about mission work that was being done in Syria and all the problems that are there. John spoke to us on 'Word Power'. It was a good sermon on how we have to be careful with words. Words can be powerful or they can be bad; good news, if we pray to the Lord, thoughts and prayers will be answered. Thank you, John and Barbara for a blessed service. The choir did a beautiful hymn. Paul Ruopp sang and Jim Carter and Marj Cline did a duet. They sang the faithful song, The Prayer. Thank you for sharing your talents with us. If you would like to give flowers in memory or in honor of a loved one or friend, please call Betty Foland at 315-676-7413. This Sunday the service will be led by Rev. Jeff Snodgrass. All are welcome to the service at 10:30am in the Auditorium. You will receive a blessing.

BRINY BREEZES MEMORIAL FUND AKA THE CHIMES Recent donations have been made in memory of Marge Dwyer donated by Ray & Maureen Sullivan

To memorialize someone simply write a check in any denomination to the Briny Breezes Memorial Fund. On the memo line write the name or names of the departed that you want remembered. A card will be sent to the family and notice will appear in our bugle unless notified differently. Thank you for your continued support of our chimes. Nancy Aceto, Trustee

LIBRARY NEWS Thank you to all who follow the library rules. As you know, ours is an honor-system library. When you borrow an item that has a circulation card attached, you write the date, your name & lot number. Items without a circulation card, borrow and return when you are finished. We trust the library materials to be returned in a timely fashion.

On Saturday morning (3/16), 3 of our new movies were returned to the slots inside the library door. By Saturday afternoon, all were taken out. There was no card to fill out because the movies had not been checked in yet. There was no note left either, so now we have 3 new movies missing and have no idea who has taken them. These are all purchases in memory of loved ones who have passed. We want these movies returned ASAP. **Missing: Green Book, Instant Family, The Favourite.**

On another note, we are sending out reminders to return borrowed items before you leave for the season. It's frustrating to find that a favorite book or movie has been left and the residents are gone for the summer. Thank you.

Bookmobile Fridays 1:30-2:30 - parked by pool: March 29

TO ALL BEACH GOERS Kudos to our neighbor at the North end of our beach! One of our own observed him collecting the trash that washes up on our beach the Friday before Beach Party. As we all help to keep our beach area free from the debris that washes up and collects on our Florida beaches, it is nice to see that others are as responsible to the environment as the Briny Community. Remember too, that the plantings along the retaining wall adjacent to the beach at the OCH are protected plants and are sensitive to foot traffic. The posts and rope barriers have been placed there with the guidance of the Florida Department of Environmental Protection to protect the Sea Oats and other plants that help to reduce the flow of sea water during storm surges. Please keep this in mind as you and your guests enjoy our Beautiful Briny Beach!

MILITARY VETERANS BRICKS Donations for the Military Branch Memorial 8 x 8 Bricks that will honor our Veterans that have served in the Air Force, Army, Coast Guard, Marines and Navy, continue to come to the Landscape Club. If you have not donated yet, please do so before you leave for the summer and for cooler climates. We have now included an 8"x 8" Memorial Brick honoring our POW/MIA veterans. We have also received interest in a Memorial Brick for our Canadian Veterans. If you are a veteran, know of a veteran or a family member that is a veteran, please consider a \$50 donation that will help offset the cost of the brick to be placed in the Fountain Plaza, a Flag Pole and a Service Flag for the branch in which they served. The flag will be displayed at the Fountain Plaza on special dates throughout the year. As an alternative or additionally, a 4 x 8 Memorial Brick may be ordered to honor an individual or unit of a service group including that branch's insignia. Forms are available in the Briny Office! Have questions? Please leave a note for the Landscape Club at the office care of unit N 203.

****QI GONG EXERCISE CLASS WILL MEET ON THURSDAYS AT 5PM IN THE OCEAN CLUBHOUSE THROUGH APRIL 18th. THANK YOU**

NOTES FROM TOWN HALL

MOBILE HOME TIE DOWN PROGRAM

We are encouraging all unit owners to sign up for the FREE Mobile Home Tie Down program. The program is sponsored by the State of Florida and is paid for through grant funds that are available in limited amount each year. We applied to the program in 2014 and have been on a waiting list ever since. Finally, after 5 years, we found out last week that we have been approved. THERE IS NO COST TO HOMEOWNERS.

We all love living by the ocean, but the salt air and water can easily corrode the tie downs and anchors on our homes. This program will enhance the tie-downs on our homes, especially homes installed years ago before current requirements were put in place. For example, if a home was installed in the 70’s it would have been installed according to code at that time. Code requirements were strengthened in the 90’s after Hurricane Andrew and tie down materials now are much better.

The state has hired contractor Storm Ready Services to do the work in Briny Breezes. Their representative gave information at last Tuesday’s boating and fishing meeting about the program. There will also be information about it on BBC8 on Friday, March 29th, and at a Tie Down meeting on Tuesday, April 2nd, at the Community Center.

THIS IS FREE TO HOMEOWNERS - Sign up forms (2 pages to sign) are available at the office. Please get one, sign up, and return it to the office. If you have questions about the program, you can call Sue Thaler at 703-201-8087 or write sthaler@yahoo.com.

If you had projects done at your unit this season, please be sure to close out your permit(s) by having the final inspection completed and signed off. If the final inspection is not done promptly, your permit may expire while you are not here, which then requires a \$100 renewal fee when you return. If you are not sure if your permit is closed, please call Maya at Town Hall, 561-272-5495.

NEWS FROM THE OFFICE

The Ocean Clubhouse will be undergoing power washing of the roof, and facia (trim) beginning Monday, April 1st. This will include painting outside doors and shutters. There will be times when the veranda will be blocked off during this facelift.

BEFORE LEAVING BRINY FOR THE SUMMER

Please make sure to secure your home properly for hurricane season (June 1 to November 30). All patio furniture, bicycles, BBQ’s, hanging items, trash cans, hoses and any miscellaneous items must be removed from the outside of units. It is not recommended to store BBQ propane tanks in or under your units. If you have a shed or Large LP gas tanks, they must be tied down securely. **(See page 7)**

Plants and Bushes: Stockholders are responsible for keeping their plants trimmed and areas weeded during the summer. All plants must be trimmed back away from the streets. Before you leave, please make arrangements to have someone take care of your landscaping. Give the name and contact information of this person.
