LIBRARY NEWS

New Large Print Books:

Beauchamp Hall by Danielle Steel. Winona once dreamed of graduating from college, moving to New York City, and pursuing a career in publishing. Then real life got in the way when she left college and returned to her small Michigan hometown to care for her sick mother.

New Books:From Carmen Lynch, **Killing Commendatore: A novel** by Haruki Murakami. A thirty-something portrait painter in Tokyo finds himself holed up in the mountain home of a famous artist, Tomohiko Amada. When he discovers a previously unseen painting in the attic, he unintentionally opens a circle of mysterious circumstances. To close it, he must complete a journey that involves a mysterious ringing bell, a two-foot-high physical manifestation of an Idea, a dapper businessman who lives across the valley, a precocious thirteen-year-old girl, a Nazi assassination attempt during World War II in Vienna, a pit in the woods behind the artist's home, and an underworld haunted by Double Metaphors.

Be a Briny Library Angel... \$3 to the Library Club. All welcome to join (no volunteer work is expected). Thank you!

Bookmobile Fridays 1:30-2:30 - parked by pool: January 18, February 1, 15

BEACH PARK and SAND DUNE Over the last year your L&B Committee with the help of many Volunteers concentrated on improving the Briny's Ocean Front Park. "Invasive Plant Species" have been removed & replaced by FL DEP approved flowering dune plants. In addition and at their recommendation we are implementing improvements to our beach access paths. Our goal in all cases is to offer you a natural looking landscape. Please understand that much of the vegetation you see has intentionally been planted. Those beach benches and the plantings including the palms are intended to prevent sand drift. Unfortunately residents / guest have been seen picking flowers, removing palms, or trampling dune plants by crossing over the wall.

* Please **DO NOT** trample or remove any dune plants (Including Palms or Australian Pines).

ALWAYS use one of the 5 paths.

BRINY's FOUNTAIN UPDATE

January 2019 - Nothing moves quickly in Briny.

Back in January of 2013 I sat in on my first L&B committee meeting simply as an observer. That day I first heard the suggestion that the committee investigate options to renovate its 50+ year old fountain. Over the years it had no less than 6 facelifts and it was time for another one. As someone who cannot stand "discussion without action" I stepped into an unforeseen battle between opposing sides. It has been a hard fought improvement for the whole community. Some have called it a "Legacy Circle" and I would agree - take time to sit on its new bench and look at all the engraved pavers. They are the ones who **paid** for this improvement. In addition stop and consider the thousands of hours of **Briny Volunteers** who gave of their time and talents to move this gift forward. This indeed was a community success story and hopefully a gift to future Briny Residents. A "Legacy of Volunteers" pulling together. Thanks to all those supporters. Ken Gross

BLOOD PRESSURE CLINIC Initial planning for reinstating the Blood Pressure Clinic at the Hobby Club is underway. We are looking for volunteers to help with this weekly event with the thought in mind "Many hands make light work." Please contact me ASAP if you are willing to help with this.

If you would please take a little bit of time to fill out the survey and return it to the office that would be appreciated. It helps BBC8 to make decisions regarding broadcasting and programming. Thanks to those who have already sent your surveys back to us. It has been very helpful.

CHURCH NEWS What a wonderful service we had this past Sunday. Rev. Ray Brower was the pastor for the service. We had communion fellowship. We were reminded of what Jesus Christ did for us. Pastor Ray spoke to us about 'A New Start'. It was a sermon filled with hope and love, wish everyone could have heard it!

The choir, under the direction of Judy Nasby, did a lovely anthem. David Florence came and did all the solos. As always, so meaningful. At the piano was Beth and Lanny Farr's daughter in law. She played so beautifully. Thank you so much.

If you would like to give flowers in honor or memory of a loved one or friend, please call Betty Foland at 315-676-7413. Rev. Dale Robertson will bring us God's message this Sunday.

This is an inter-denominational church and you are invited to worship God in your own way and He will bless you in His way. We meet each Sunday at 10:30am in the Auditorium. All are welcome. You will receive a blessing.

FROM THE PRESIDENT It was really quite exciting over the past couple of weeks. Families visiting families and our beach so enjoyed. It was quite a vista to look out and see 8 to 10 groups of people enjoying the wonders of the ocean, the sand and good times

The beach- a couple of things happening there. You may have noticed that the flag has not been flying. The ropes and pulleys were broken during the summer. It was not until November that management was notified how important this flag is to our community. We have had one company out 3 times...if they cannot fix it we will need to move on to another company. It is a flagpole that presumably can with an adjustment to the base bolts, lay down and not require a bucket truck. But as we all know, bolts, windows, door hinges, air conditioners do not respond the same under our salt water air conditions. We will keep working at it. Hopefully soon!

We continue to see folks who walk/run through our dunes most especially directly in front of the Ocean Club house. We also see golf carts stop here to unload their chairs and coolers. Parents and grandparents please let your family and friends know that to get to the beach, you need to use the paths provided. We are trying diligently to allow these plantings to thrive. Help us save these dunes.

We do expect your guest as well as yourselves to have Briny Badges on your person. All shareholders, family resident guests, and renters need to have a picture Briny badge. Your guests need to wear the blue guest badge. (If they are here for a few hours and the office is not open, they are fine as long as they are with you, the resident.) Do not become offended if you are asked to show your badge. It is the rule and it is really for our own protection. You might also meet a new friend.

The Membership meeting is over. We listened and we will adjust our agendas going forward as legal and appropriate. Bottom line, there are just some things not in the purview of the Board. We as a Board look forward to addressing the corporation and shareholders' needs, its activities, and its successes as the year progresses.

Have a good week- enjoy our terrific weather. Sunshine abounds. ~ Susan Brannen, President

DONNA'S CORNER

We have sent the first mailing out for the Annual meeting and election for District 1 & 4. If you live in either of those districts and would like to be on the Board please send your intent to run in to the office by the end of the day January 18th.

The Bugle is a great place to keep up with what is going on at Briny, and if you are in Briny you can always tune into the Community Channel and check out the Scroll which also lists events and more.

It is sure nice to see all of the yards shaping up and being trimmed. Remember to trim your trees and shrubs so they do not hang out into the road or your neighbor's property.

If you are expecting guests please pick up guest passes and register them in the office. Have them park in guest parking and share the rules with them.

Please watch your speed as you drive about Briny especially in cars. I have witnessed a couple of close calls. SLOW it down.

The pool heater has been having some issues. We will soon need to replace it even though it is not but a few years old. The salt is not our friend and tends to cause corrosion and distress to equipment. Andy doing things the Briny Way has ordered a new part to try and hold things together and save several thousands of dollars that a new heater will cost. In the meantime both Andy and I are gathering bids for replacement. I just want those of you who are sending in work orders to know we are working on this.

It is a pleasure to meet each and every one of you as you return to Briny. This is indeed a sweet place filled with talented and good people. My wish for 2019 is that the community can continue to work together neighbor to neighbor. Kindly reminding each other of the rules. The do's and do nots so as to remain a happy place for all to dwell. Sometimes we do not even know when we are breaking a rule. Gentle and friendly reminders shall help all to abide by the "Golden Rule"

BEACH CLUB's - FOUNTAIN FRIDAY
