## **BAZAAR NEWS**

That's right! It's that time of year again – to begin thinking about the Briny Bazaar! Clean out your closets and cupboards and donate your 'clean' goods for the betterment of Briny. February 6<sup>th</sup>, 2016 is the date (2 weeks earlier than last year!) Leave your donated goods on the bench by the Hobby Club, please, no 'big' TV's or sleeper couches (we can't pick them up and nobody wants them!)

What is done with the Bazaar money? Have you seen the new décor at our Clubhouse? Offering their free labor, the summer group, spearheaded by Sandy Dietzel and including Marla Guzzardo, Kathy Gross, Brenda Dooley, Donna Clark, Sue Atlee and Christina Adams along with Dave and Tavis Hearrel worked together to update and beautify the entire room. Starting with recovering all the window cornices, they moved on to purchasing new couches and chairs, renewing some of the furniture with paint and generally updating the kitchen with all new hardware. All of these improvements were done within a budget of \$3000.00.

In addition, the money from this year's Bazaar purchased new tables, chairs and sun shades for the cabana along with a new motor for the ice machine, new umbrellas for the pool, 6 new strapped chairs for the clubhouse porch, professional Holiday lighting for the palm trees near the office and the clubhouse, and money to the library for the purchase of all the archival materials. Yet to come, a big new sign for the Briny office! Past purchases included monies for the improvement of the Auditorium, Clubhouse, and Community Center.

**This Saturday**, (Dec. 5) a huge assortment of Holiday garland, decorations and trees will be for sale at the '**mini' Christmas Bazaar** which will be held in and around the Hobby Club from 9:00-12:00.

This is being combined with the **Hobby Holiday Boutique** – an opportunity to purchase an assortment of great gift items **handcrafted** by members of the Hobby Club. Also for sale will be pieces from a large **Precious Moments** collection and a variety of **beautiful laces**. A **raffle** of a number of prizes will take place at 12:00. Stop by and purchase a gift or a 'treasure' – or just to say Hello!

## **CHURCH NEWS**

We hope that everyone had a blessed Thanksgiving. We have so many blessings to be thankful for in spite of the problems of our country and the world. We have to keep our eyes on Jesus.

The service this past Sunday was truly a thankful one. Rev. Jay Forester was the pastor for the day. The scripture reading was from John 3:1-15. When you have time please read it. It explains what it means to be 'born again'. Nicodemus, a Pharisee, listened to God and came to understand what born again meant. We must listen to God and truly believe that the Lord is in our hearts. It was a wonderful message.

Paul Ruopp sang 'Come, Ye Thankful People Come'. It was so beautiful and two of the Welty children sang a lovely duet.

Choir will begin Friday, December 4<sup>th</sup> at 10:15m in the Auditorium. Come join us.

If you would like to give flowers in memory or honor of a loved one or friend, please call Betty Foland at 272-3990. The service is inter-denominational and meets each Sunday at 10:30am in the Auditorium.

We would love to have you join us as we worship the Living God. As we look forward to the Advent season, let us remember that Jesus is the reason for the season.

‘WWII AFFECTED OCEAN RIDGE’ February 2000 Ocean Ridge Reporter

World War II affected Ocean Ridge. South Florida was affected more than any place else in the continental US. There was a major shipping lane within a few miles off the coast and ships were torpedoed regularly by German submarines. It is said that they were so close you could hear the subs charging their batteries. In 1942 twenty four ships sank off Florida, seven were torpedoed off Palm Beach County, including a British tanker which was sunk directly off the Inlet and 9 crew members died. The Coast Guard stationed a boat at the Inlet and members of the Coast Guard rode the beach on horseback and walked the area with guard dogs as Germans were said to have come ashore for sabotage purposes. Residents would go to the beach to see the smoking ships. They could feel the heat from the flames which lit up the sky. An Ordinance #53 was adopted in February 1942 ‘providing for blackouts and other means of protection against attacks upon this municipality by enemies of the US and their agents; providing the powers, duties and obligations of municipal officers, agents and other employees during blackouts making all air raid wardens and other agents and appointees of the state and county defense councils ex-officio municipal officers and agents...’ During World War II no one was allowed on the beach after dark, and a blackout was in effect restricting street lights, house lighting and car headlights. Floridians were terrified and lived in constant fear also enduring tough rationing. During 1942-1945 military bases and military personnel filled Florida. Palm Beach International Airport was then Morrison Field, an Army Air field and Boca Raton had a radar training field for Army Air Corps. The Breakers Hotel in Palm Beach became an army hospital. After the war there was an influx of veterans and with military dollars a new era of progress began.
