CHURCH NEWS

Our Briny Breezes Community Church service on Nov. 27th was blessed with a special solo, 'Be Thou My Vision' by Jacob Welty and a testimony and song by Eric Wolffbrandt of his recent relationship with the Lord through trials. Everyone was invited to come to a Bible Study (discussion format) at 8:30 a.m. on Sunday mornings in the West Clubroom, next to the library. Bring your questions and a Bible. Mike Bingham brought the message from Philippians 1 entitled 'Joy to the Max'. Questions were asked, 'How can we experience joy, through various unpleasant circumstances, people and worry? Don't they rob us of our joy?' Through the chapter and other passages, we learned that the apostle Paul had joy in his mind, heart and prayers even in prison. We, too, can experience real joy by putting others first. Jesus, Joy, Others & You: WHAT A WONDERFUL WAY TO SPELL JOY!
The services each Sunday are in the Auditorium at 10:30am. All are welcome. If you would like to give flowers in honor or memory of a loved one or friend, please call Betty Foland at 272-3990. Hope to see you on Sunday. You will receive a blessing.

'War Years in Briny'

When Pearl Harbor was bombed on Dec. 7, 1941, things started happening in Briny and along the SE Florida Coast. South Florida was affected more than any place in the Continental United States. In 10 days alone in May 1942 seven ships were torpedoed off Palm Beach County by German U-boats. 16 ships were sunk between Cape Canaveral and Boca Raton from Feb. through May 1942. In the morning, fires were seen in the ocean as the torpedoed ships sank. The beaches were patrolled at night by the Coast Guard on horses, which were shipped in from Fort Riley, Kansas. The horses couldn't maneuver the treacherous rocks near Briny, so 30 trained dogs took over. Briny was in black out. All windows in trailers had black out curtains. No lights were on at night in the park. All headlights were covered except for a small hole. Air raid wardens patrolled the park at night telling if any light shown through the windows. May 4, 1942 the British tanker Eclipse, bearing aviation fuel, was sunk off the Boynton Inlet. 2 men were killed and 29 were rescued and brought ashore. Dorothy McNeice's sister, Helen Mann, came to the beach with her school friends. She saw the ship sinking, took a picture of it, and her camera was immediately confiscated and never returned. The ladies of Briny gathered each week in the old Community building to knit items for the soldiers for the Red Cross. In 1967 a bronze plaque was dedicated to 20 servicemen of Briny families and hung in the Auditorium. 300 residents participated in ceremonies. After a flag dedication, the residents moved into the Auditorium where Mayor Hugh David introduced guest speaker Capt. Ernest Dunlap, USN, Commander of the Naval Reserve Training Center, Port of Palm Beach. The 20 servicemen from Briny Breezes named on the plaque are: William Cobb, Julius J. Dombroski, Robert Dombroski, Walter Dombroski Jr., Peter Folsom, Craig Freeland, Bruce Henry, Richard Heeren, Lee Hodgkins, Timothy Hunt, Nelson Littlefield, Dana Littlefield, Kenneth Pattison, Robert Samuelson, David Scott, Frank Scott, Wallace Swan, Kenneth Varcoe, William Weber, and Mark Wells. Added names are: Stephen Louis Day, Thomas McElheny, David Hugh David and Bud Byer Schnipple.
