THANK YOU

We would like to thank the many people in Briny for the help, compassion and prayers sent our way this year. We deeply appreciate them. We also wish to thank Briny for the wonderful 40 plus years we have spent coming here. It goes to show that 'THERE IS NO PLACE LIKE BRINY'.

~ Jack & Bernadine Taylor

I would like to thank all my friends that helped me so much while I was in and out of the hospital! Thank you from the bottom of my heart for your prayers, cards and beautiful flowers! Many thanks for all the meals that were brought over to me and all the dinner invitations! I am so appreciative for all the visits, staying with me during my long stay in the emergency room. Also for driving me back and forth to the hospital. Thank you also for my good friend who took such good care of my dog, Daisy. I can't begin to tell you how much you all meant to me during my two different times that I had to stay in the hospital. I also would like to thank the staff for being so understanding and helpful to my son while he was here. I truly have the most wonderful friends at Briny! Many thanks again, Bobbie Williams

BEACH CLUB NEWS

Wednesday, April 13th was my last Beach Club meeting of the season. It was a terrific year with a big turnout each week. Special thanks to our disc jockeys Mary Jo Fioresi and Glenn Stout whose music selections added so much to the party atmosphere. Along with the vice president, Paul Sullivan and treasurer, Carol Ellis, I am retiring this year. Joe and Suzanne Carroll, who originally started the Club, are returning to run it next season.

The social gatherings will continue each week during the spring, summer and fall with Ken and Sue Gross being the organizers.

A big hug to my wonderful wife, Eileen, who has been such a terrific helpmate and finally, a great big THANK YOU to all who participated and made the weekly Beach Club gatherings such an enjoyable event! ~ Patrick Duffy

MORE BEACH CLUB: A big thank you to Eileen and Patrick Duffy, who will be passing the club torch back to Suzanne and Joe Carroll next season, for another awesome year of memorable Happy Hour Wednesdays. They have done so much to make life at Briny so much better. Also, a special shout out to Bonita and Glenn Stout for taking the party to another level with excellent music and unforgettable 'Briny-Okie' sessions! And thanks to the many people who pitch in, like Mary Jo Fioresi for great music, and Sue & Ken Gross for keeping the Happy Hour going off season.

Sincerely, Suzanne & Joe Carroll U208

CHURCH NEWS

It is so hard to believe that it is time to say goodbye. The final service for this year was held this past Sunday. It was a service of thankfulness for the blessed time we had each Sunday since November. We thank everyone for the good attendance and their wonderful support.

Rev. Ray Brower gave the last message. He spoke on 'Famous Last Words'. We are to commend folks for their gifts and their work. Please read 1 Corinthians 16:9-14. Be strong in what the Lord will have us do. Jesus is our rock and we should walk in the truth. This is our heart's desire as we go our separate ways and until we are together again.

The choir, under the direction of Judy Nasby and Mary Fulton Kelley, sang the beautiful 'His Name is Wonderful'. David Florence sang two lovely solos. The choir has enjoyed serving the Lord and all of you this year. We have had a good amount of singers, but there is always room for more. Would you consider joining us next season? We would love to have you.

We want to wish everyone a blessed summer. Attend your churches and then come back to us 'Lord willing' next November. Until then, the Lord bless you all until we meet again.

~ Chuck & Betty Foland

BEAUTIFICATION & LANDSCAPING

'Growing Herbs in Containers' – Many herbs prefer to be in pots so they can be a bit on the dry side. This is perfect for a Briny spring and summer. Frequently these herb pots love to be moved to a more shaded position, if possible. Rosemary loves South Florida summer heat; it can be very happy in pots on a deck or patio. It is a perennial here (as opposed to up north). A larger pot works well for a 3 herb grouping of sage, rosemary and thyme. Rosemary will thrive in your Briny pots for years! Enjoy your herbs – use them for additions to recipes and rub them with your hands and inhale their special aroma!

IN MEMORY

“I Hear Him Call My Name Every Day”, Hello everyone, my name is **Ellie Guarneri**, my husband (**Sal**) & I have rented here for 10 years in the same unit (P-201, section 4). The Love of my life (my cantankerous Sal) has left this Earth before I could tell him everything I wanted, so I am happy to use the **Bugle** to express my feeling to him, since he read it faithfully. *Sal thank you for making my life wonderful & never dull*, God decided on March 6th 2016 that it was time to call him home.

Sal & I met in LI, NY at a dance hall, I was a 60 YO widow with no experience of life without a husband. I learned Ballroom dancing. One night, one of the **Best Dancers** around, asked me to dance. He led me across the room & it was like we were the only couple there. We married soon after. To me, he was gentle & loving.

He was a **Navy Veteran of WWII, a True American** with a “Sicilian” heritage, (in which he used as an excuse when he was trying to make a point.

We decided to rent here & we fell in love with Briny Breezes, the activities, the neighbors & at our age, making new friends. The *dances were spectacular* & we never missed a boating/fishing dinner dance, cabaret, & parties of all sorts.

He taught me so much of life, so much of fullness. **I miss him so much; my memory is only of good & wonderful.**

Before Sal departed, he decided we would finally rent a new place & we made a lease with Kennedy O’Grady (O-202) for no less than 6 mos. **That is where I will be in OCT. Good-bye for now my dear husband, till we meet again.** Meanwhile, Briny people, please stop by (P-201) till May 23rd. Ellie.
