May 29th – 6:00pm, Ocean Clubhouse; A true story about a group of American teenage boys who crew a school sailing ship to gain experience, discipline or whatever their parents feel they lack. Just before their return home they get some unexpected experience in survival when they get caught in the clutches of a white squall storm. PG-13. Any questions, call Ken at (708)646-6361

BIBLE STUDY & DISCUSSION

Summer time change/place/format: Monday nights 6-7pm, Ocean Clubhouse

Join us Monday evenings as we watch a television mini-serial that contains a modern day Jesus walking amongst us. Brief video followed by discussion. Episode One – a woman struggles with the concept of not being perfect because both her family and her church disapprove of her lifestyle. Watch what happens when she meets the Stranger at a busy bus stop. A contemporary retelling of ‘The Woman at the Well’. Devotional series runs through June 29th. All are welcome to join the discussion or simply listen.

HAPPY & HEALTHY SUMMER FROM THE LANDSCAPE COMMITTEE

The summer goals and objectives set by the Landscape Committee and Theresa, our manager, should keep the park busy over the summer. Work from the Master Plan, approved plantings and of course the Dune restoration which is endorsed by the EPA are just a few of the scheduled improvements. DynaServe, our contracted landscaper, has been doing a great job. I hear so many positive comments about their work.

We extend our sincere appreciation for the overwhelming support of the Landscape Committee and the Fountain project in particular. Many of the voters wanted the refurbished fountain which would be completed by donations and at no additional cost to shareholders. Brick purchase donations continue to come in. We are getting closer to our goal but still need to sell more Legacy Bricks. Continue to send in your checks, \$100 per paver. Checks can be made out to Briny Breezes Inc. Forms are in the office or online. Have a wonderful summer.

TOWN NEWS

Please note that police ARE TICKETING expired parking decals. Residents who still have a dark blue parking decal on their car need to remove it and get the current light blue parking decal from the management office. Renters should have a current maroon parking decal.

You have been a wonderful asset to us!
