Put the name of the departed in the memo line or enclose a note. A memorial card will be sent to the family and notice will appear in the bugle. Many thanks for your continued support.

~ Nancy T. Aceto, Trustee

BLOOD PRESSURE

This has been a good year for the Blood Pressure Clinic. The following nurses have helped out most weeks and I am sure, saved a few lives: Bertha Hardison, who took over for Jeannie Strong, Beth Farr, Mary Annis, Carol Marmann, Linda Jannino and Christine Adams. We thank each of them for their service.

The nurses did over 300 blood pressures. Yesterday was the last time for the season. We hope you come back in January 2016. It is good to have your blood pressure checked so please continue over the summer.

Last but not least, we missed our Jeannie Strong this season. She was always there to guide us and we thank her so much. But we also want to thank Bertha Hardison for all she has done to keep things going. We appreciate it so much. ~ Betty Foland, Record Keeper

ART SHOW

Thanks to all of the volunteers and wonderful Brinyites, our 63rd Annual Briny Breezes Art Show was a resounding success. For the 5th consecutive year our club is grateful for the leadership of Kennedy O'Grady and her list of volunteers that made it all possible. Thanks Kennedy for all that you do for us, in our Art League and in the Briny community. You are a treasured asset to Briny with all the talents that you share with us.

A few statistics for those who are interested in numbers. A total of 36 artists participated in showing their work in the Art Studio Building. Those showing were teachers and students who painted over the past year in a class or artists who painted on their own at home or at the studio. A total of 132 art pieces were hung. Of those participating artists, 17 artists sold their pictures in the Art Studio Building.

A popular vote amongst the artist's peers took place Friday night at the members Beaux Arts Party. Blue ribbons were awarded to the following artists. Beginner's level: Russ Sawchuck, Intermediate level: Carol Swift, Advanced level: Maryann Sperazza.

We will miss Judi McGovern Murray who has been a member of our league for the past 20 years. She is a very accomplished artist who taught watercolor. We wish her well as she and her husband, Lee, move their winter household to the Fort Myers area. Rumor has it she may come back for a visit and do a workshop.

With the season coming to a close, I wish all a good summer and keep creating in all that you do.

Whether in art, woodworking, hobbying or just plain living! ~ Sue Alter, President

TERMITE TENTING

For those who want to get together and get a discount on tenting their trailer for termites, please contact Kathy Gross (F-25) at (970)259-2271. We will see how many we have and what kind of discount we can get!

BINGO

Down to the wire & bingo was wonderful, we did have a “ball of confusion” I apologize for some of the misunderstandings. This night was the last night for Guests only. Some people mentioned that they heard on TV that it was the last night of “NON-MEMEBERS” so that was confusion, a Non Member would be a resident that did not join. A guest is someone that is visiting a member, Guests must leave after the 11th game. Also miscommunication of needing ID at times. It is not so easy trying to follow the rules we put forth and we really want everyone to be happy. Our committee is dedicated to all of our players and at times it becomes hectic, however, the winners would not think so. Lots of happy faces, smiles and laughter. Jackpot \$130.00 won by 1 person/ Blue \$40/Green \$15 & 3 Quarter games \$18.00. Nancy Aceto Called the night away and was wonderful. Thank you to everyone who helped, NEXT MONDAY JACKPOT!! LAST GAME OF THE YEAR, THE JACKPOT WILL BE \$350.00 **MEMBERS ONLY!!!** Sincerely Barbara Klink Pres.

ART NEWS ATTENTION ART LEAGUE MEMBERS!!!!

Please think of donating a picture to our table the day of the Beach Party on March 28th! We had a very successful response for the past two years and are looking for your help again! If you have a picture from the Art Show and could help raise money for the Art League or any New item that would generate a bid please call me Virginia Clark 272-8454 and leave your name and phone number so I can get bid sheets printed for the 28th. Please put what you feel the opening bid should be on your item/picture! You must bring your item to the Club House at 10AM on the 28th. Thank you again for your help!

CHURCH NEWS

Our season is winding down, but church will continue until April 12th. Plan also to attend the Good Friday service with beautiful music and communion.

Our service this week was led by John & Barbara LeGrow, who are our own Brinyites. Barbara read many Scriptures which caused us to see God’s promise and character, that we can trust in Him through all circumstances. When you feel insignificant and in the senior citizens era, just read these verses: Phil. 4:13, 2 Tim. 1:7, Joshua 1:9, Rom. 8:28, Heb. 11:1 and 13:5, 1 John 5:14-15.

John challenged us to think about our belief. It is a big God who can get us through what seems like impossible situations. He gave us examples of people who made it through great difficulties, one of which was Abraham and Sarah who were asked by God to move far away from family and friends at an old age, and the best part was God’s blessing for obedience. The service was ended with the verse in Isaiah 40: ‘But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles’.

We were blessed with beautiful music by Jim Carter and John Draper, the choir, Mary Fulton and Judy Nasby.

LIBRARY NEWS

To our young visitors: There are many books available for you to borrow from the Briny Library. Just look under the counter as you enter the library and turn to the right. Most books do not need to be checked out but some will have a circulation card in them for you to use. We have books about the Florida sea turtles, seashells and fish you see while you are at the beach. We also have some movies that can be checked out. Those are on the bottom movie shelf and they have a black tape across the bottom which means they are rated PG. Please enjoy!

New Book coming soon...

Bettyville by George Hodgman. When George Hodgman leaves Manhattan for his hometown of Paris, Missouri, he finds himself—an unlikely caretaker and near-lethal cook—in a head-on collision with his aging mother, Betty, a woman of wit and will. Will George lure her into assisted living? When hell freezes over. He can’t bring himself to force her from the home both treasure—the place where his father’s voice lingers, the scene of shared jokes, skirmishes, and, behind the dusty antiques, a rarely acknowledged conflict.

Please remember...return all library items before leaving Briny for the season. Double check your DVD player for a movie left inside. Check your beach bag for any books. Thank you! We've had a wonderful season. Summer Hours begin April 1. Librarian on duty M-W-F 10-11.

LANDSCAPE COMMITTEE

Visit the Landscape Committee table at the Beach Party
I’m sure you have all heard the adage ‘Never Give Up’. If you believe in something, keep that belief and work at it until you see it come to be. We members of the Landscape group have worked hard and diligently to make the Fountain Refurbishing a reality. We firmly believe, as do most of you, that it is a project that will benefit the entire community. It will be accomplished at no cost to shareholders. Those who wish to donate and participate will look with pride on their small effort and part in enhancing Briny Breezes, a place the majority of us love. We are not giving up.
We will have a table at the Beach Party on Saturday from 12-5pm. We will be selling Legacy Pavers so bring your checkbook. We are also there to answer any questions or concerns anyone has. Please stop by and we can talk.

A note from the Briny Breezes Landscape Committee...On behalf of the Board of Directors

In order to avoid any problems over the summer, please review this letter which serves as clarification as to the responsibilities of the corporation's contracted Landscaper and the individual stockholder regarding the year round maintenance around our units. This includes mowing, trimming and weeding of lawn areas immediately adjacent to Owner structures, flower beds and mulched or rock filled areas.

- Each Stockholder is responsible for the **year round (12 month)** maintenance of their individual property.
- The Landscaper will cut and trim the turf lawn areas in and around each unit up to the skirting or to the **hard/durable** edge of plant beds where hedges, flowers, mulch or rocks are present. Again they will only trim up to an area where there is a **hard/durable** surface present to trim against. Lawn areas between hedges and the Unit Structure will **NOT be maintained by the Landscaper.**
- Weeding of hedge plantings, flower beds and mulched/rocked areas are, of course, the **responsibility of the Owner.**
- If the Owner of a property is concerned about the trimming of turf where the structure or skirting may be damaged by the reasonable use of string trimmers by the Landscaper, the Owner shall provide a form of durable surface for the trimmers to work to or, at their option, **post a Red Driveway Marker indicating that the Owner will complete the required trimming themselves.**
- Please remember that trimming and weeding conducted by the Owner needs to be completed regularly, year round, in conjunction with the Landscaper's normal schedule.
- Driveways that are gravel, rocks or spread out paving stones must be kept weed free by the owner, year round. Landscapers cannot be responsible for hand weeding these areas.

We want to keep Briny looking great, 12 months of every year, not just during high season. Please understand that year round maintenance of your unit/grounds is part of the rules that everyone must follow. Let's keep Briny looking Beautiful.

Fines may be levied upon stockholders who fail to maintain their properties in proper, year round, conditions.
