

Dear Brinyites

Engraved Legacy Brick Form

15 July 2014

Thank YOU for the enthusiastic response to our efforts to raise funds for the Brickscape & Fountain Project. The LANDSCAPE COMMITTEE has received many donations for Engraved Bricks and we are well on our way to the goal of fully funding the project with more requests for "Legacy Bricks" coming in every day! With the support of the Board of Directors, we are moving forward with more detailed plans. In our effort to start the process of funding the all-donor supported project, the first form we sent out did not include all the information needed, so please use this new form to initiate your request for Engraved Legacy Bricks. Again, please donate \$100 for each Engraved Legacy Brick. We have 4 lines per 4"x 8" brick available and remember that the number of characters on each line will have an effect on the size of the letters. You may request as many bricks as you please. Many of you have asked if the bricks can be driven on. These bricks are very durable and are used in many of the driveway entrances for the resorts in this local area and around the world.

NOTE: If you have already submitted a form there is no need to resubmit.

Please to make your checks out to BRINY LANDSCAPE CLUB, with a memo Legacy Bricks. Please send your checks and forms to the Briny Office.
